

# ISO 11607 Testing Overview

## Environmental Conditioning

ISTA P2A	<i>Thermal Conditioning</i>
ASTM D4332	<i>Pre-Shipment Conditioning</i>
Customer Derived Conditioning	

## Accelerated Aging

ASTM F1980	<i>Aging Based on Q10 Theory</i>
------------	----------------------------------

## Package Strength

ASTM F88	<i>Seal Strength Testing</i>
ASTM F1140	<i>Burst Strength Testing</i>

## Package Integrity

ASTM F1929	<i>Dye Leak Testing</i>
ASTM F1886	<i>Visual Inspection</i>
ASTM D 3078	<i>Vacuum Leak ( Flexible packaging)</i>
ASTM D4991	<i>Vacuum Leak ( Rigid packaging)</i>
ASTM F 2096	<i>Bubble Leak Testing</i>

## Shipping & Handling Test Procedures

ASTM D4169	<i>(International Safe Transit Association) Procedures</i>
------------	--
